

If your browser prompts you to Discard the download because it is not commonly downloaded as seen in the following screenshot, then click on the drop down menu by the Discard bottom and select Accept.

The screenshot shows a web browser window with the address bar displaying [www.idbasolutions.com/en/free-version.html](http://www.idbasolutions.com/en/free-version.html). The page content includes a navigation menu with items like 'About us', 'Product Demo', 'Buy', 'Clients', 'Free Version', 'Papers and Scripts', 'Support', and 'Consultancy practice'. Below the menu, there are social media sharing buttons for Twitter (0), LinkedIn (57), and Facebook (1). A SiteLock SECURE badge is visible, indicating the site is verified as of August 07. The main heading is 'Free Version:', followed by the text 'Free Demo Version: (Over 2000 copies already downloaded).'. A 'Thank you for your interest in idbasolutions.' message is followed by a 'Please note:' section with a bulleted list of compatibility information. A 'Download Demo Version' link is provided. A 'CURRENT PROMOTIONS:' section states that products are priced down to attract new clients, with 'Lite version is NOW FREE', 'Regular is NOW FREE', and 'Ebus version is NOW FREE'. Three 'Click Here to Download.' links are provided. At the bottom of the browser window, a download warning is displayed: 'idbasolInstallFREE.zip is not commonly downloaded and could be dangerous.' with a 'Discard' button and a dropdown menu. The download bar also shows 'idbasolInstallLightFREE.zip' and a 'Show all downloads...' link.
